

John Champion, Philanthropist, donated \$50,000 to build Nightingale Cottage.

The Nightingale Cottage was named after the founder of nursing, Florence Nightingale. This original picture of her was presented to the cottage in 1935.

Dr. Charles O. Probst was the medical director of the Columbus Tuberculosis Society from 1906-1927.

The 1906 Pennant of the Columbus Tuberculosis Society. "Consumption" was the early word used for tuberculosis.
