Sponsorship and Participant Information

Pinnacle Golf Club, September 21, 2010

**Presented by:
The Nixon Powers Family Fund**

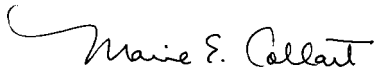

Dear Friends,

We invite you to join us Tuesday, September 21, at The Pinnacle Golf Club for The Breathing Association Golf Classic, benefiting asthma programs for kids. The Breathing Association serves the community as the leading resource for promoting lung health and preventing lung disease through education, detection, and service. We provide a variety of services and programs for those who are suffering from lung and breathing disorders, including asthma.

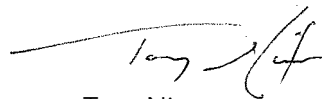

Asthma is a common condition affecting more than 7 million people in the United States, many of them children. Your participation will help fund one of the many programs we have available for children with asthma. With your support, we can help these children lead normal and active lives!

We look forward to seeing you!

Sincerely,

Marie E. Collart, Ph. D.
President & CEO,
The Breathing Association

Tony Nixon
Former Chairman of the Board
COO, Legacy Commercial Flooring
